### POLICY

## 1. School profile

Derinya Primary School was established in 1971 and is located approximately 3 kilometres south of Melbourne. We have 842 students enrolled from Foundation to Year 6 and approximately 70 staff including a technician and kitchen garden specialist.

Our school is surrounded by a supportive community. Most students that attend our school live locally and tend to walk or ride their bike to school. Derinya has developed close ties to the local community, and enjoys many fundraising, social service and social events.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

## 2. School values, philosophy and vision

Derinya Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, integrity, friendship, humour, responsibility, optimism, resilience and respect at every opportunity.

Our school's vision is to empower students to reach their personal best, and fully equip them to contribute positively to society as happy, healthy young adults.

## 3. Wellbeing and engagement strategies

Derinya Primary School has developed a range of strategies to promote engagement, an inclusive and safe environment, positive behaviour, and respectful relationships for all students in our school. ## 6. Student behavioural expectations and management

Behavioural expectations of students are grounded in our school's Statement of Values/Student code of conduct.

Violence, bullying, and other offensive and harmful behaviours such as racism, harassment and discrimination will not be tolerated and will be managed in accordance with this policy.

When a student acts in breach of the behaviour standards of our school community, Derinya Primary School will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implements positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.
